• *High School*

Sept 2017 – June 2021

School: Mikrie secondary and

Preparatory School

Result

EGSEC – 4.0

EUEE – 590

• **Bachelor's Degree in Software Engineering**

June 2021– July 2025

University: Bahir Dar

Current CGPA: 3.93

About me

I am a 4th year software engineering student at Bahir Dar University. I am skilled in problem-solving and algorithm. I am also attending community education in African to Silicon Valley Team (A2SV) and ALX. I thrive in fast-paced environments where timeliness is paramount. Eager to contribute my skills and enthusiasm to collaborative software development initiatives while continuously striving for excellence and growth.
